Delivering God's Love Since 1978

Dear Love-Lifters,

Thank You for your generous financial support and many prayers for our ministry needs. You are reaching across thousands of miles to bring comfort and hope and to spread the Good News of God's eternal love to the poorest nation in the Western Hemisphere. Several times in our thirty-nine years of ministry we have been able to donate **life giving** items to help those traveling to this country **of most extreme poverty, HAITI.**

You blessed Haiti!!

The heart touching letter on page two shares how your valuable support enables us to be a blessing in this most desperate conditions of heartache, malnutrition, disease and despair. Lives can be inspired and transformed by loving deeds and God's **life changing** message. These children and families really matter and are special to our Lord. They can belong to the Kingdom of God and have a purpose with an eternal home and future, so different than the present place of bondage. They are wanted and are special priority of Jesus. In Matthew 19:13-15 it says:.. "**Let the little children come to me...**"

Oh! Joy of a toy!

Jesus Loves Me !!

This precious song that we learn as a child is for all of us throughout our lives:

*Jesus loves me! this I know,
For the Bible tells me so;
Little ones to Him belong,
They are weak but He is strong,*

New dresses bring a smile.

When these disadvantaged children learn that Jesus will never stop loving them, it is a great comfort when they are sad, lonely, or scared – God their heavenly Father has promised to love and be with them wherever they are. We must do what we can to reach out to God's people that struggle so greatly. **One in five children in Haiti die before the age of five years old.**

Your faithful giving enables us to provide God's life giving message of His Love.

Letter from Missionary couple to Haiti

"Hello Love-Lift supporters. We want to thank you and Marilyn in providing the Love-gifts we took over to Port-Au-Prince, Haiti recently. We packed 2 military duffle bags with about 150 love-gifts. My wife Jessica and I had the wonderful blessing in ministering in two Christian schools, two children's ministries at local churches, one small orphanage and many pastor's children. These Love-gifts allowed us to bless a child with simple items like school supplies, toys, washcloths soap, etc. Sadly after seven years after the 2010 earthquake, thousands continue to live in temporary tents including many children that have only known a tent as their home.

Presents for these school boys.

Your gifts allowed us to share God's love with each child. Jessica and I also shared from the Word and reminded all the children we encountered that God knows them, loves them, and He has a wonderful plan for each one of them. We also admonished each one of them to live for Jesus and to do great things for Jesus even now in their youth. We taught many wonderful lessons from the lives of young people in the Bible like; Joseph, David, Daniel, Shadrach, Meshach, and Abednego, and of course Jesus!."

Hands of Mercy

We have helped the Haitian people other times like in transition leaving the workforce of the Olympic Games in Brazil. They were hired prior to this event and afterward thousands of them traveled northward into Mexico. Many hoped for better opportunities of employment and a future beyond their previous problems of the horrible living conditions in Haiti after the earthquake and hurricane in 2010.

Thousands were on the streets in Mexico in border cities to the US. Most had no provisions, friends, family, jobs or sleeping facilities. With these real challenges a few churches opened their doors to provide sleeping area. One pastor had over 400 people sleeping inside night after night. Four times we prepared many Love-Lift bags, baby layettes for infants, blankets, throws, afghans, and other assorted items to help this crisis. With so many needs, this was a golden opportunity to witness salvation to those who never had known the love of Jesus in their life. Someone cared enough to show compassion with God's love. God always has a plan to reach out to the lost. We were thrilled to be part of God's **life reaching hands of mercy** by sharing our ministry items.

What Does Love Look Like?

What does LOVE look like?
It has the hands to help others.
It has the feet to hasten to the poor and needy.
It has the eyes to see misery and want.
It has the ears to hear the sighs and sorrows of man
That's what LOVE looks like!
Saint Augustine
