# 40 YEARS

## MISSION CALL: WHO WILL GO?

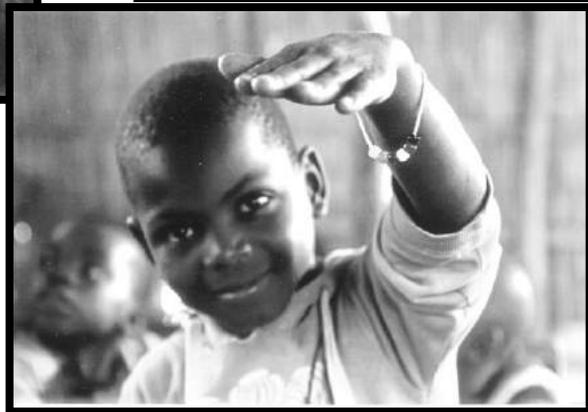

My call to missions came as a young child of six or seven years old in the early 1950s in a church missionary meeting. I didn't know what that meant, but my mother and father, a minister, wanted to attend this service on God's work in Africa. The missionary's presentation and movie about his ministry was so **challenging** to me. I never had seen or heard of this place called Africa as I was so young. When his message was given, "Who will go and give God's love to these people?" I said in my heart, "I'll go!" I didn't know what he was talking about, and I didn't know where in the world Africa was or even what a missionary does! Isaiah 6:8 became the desire of my heart when the Lord said, Whom shall I send? I answered, "Here I am, Lord, send me." God has a way of directing our lives as Psalm 37:23 says, "The steps of a good man are ordered by the Lord." This verse became the confirmation of His plans and His purposes for me.

My steps did not lead only to this continent of Africa but to four other continents. We have given out resources and blessings to 11 countries in Africa. **God directed me to prepare, to organize and create another type of mission's project.** I wanted to help people in many countries in a global way as God opened doors. **It was God's work, and I was just a vessel to be used.**

# LA Church Team Brings God's Love to Africa!!

A church team in Los Angeles, California, wanted to help and serve in the country of **Mozambique, Africa**. A wonderful Christian orphanage in Mozambique of 100 children received our Love-Lift bags. These bags made a great impact in the lives of the children. These precious ones have experienced living in slums and chains of poverty in their lives. **Most of their parents have died of AIDS**. These children's lives would have been hopelessness, malnutrition, no education, and no hope for a brighter future. Most importantly the children are learning that Jesus died for them and has an eternal plan of salvation. The love of a heavenly Father who cares for them is wonderful. **They are no longer alone** as God is watching over them. **We were thrilled to have had the privilege of sharing God's love and compassion in bringing faith and joy to these little ones.** (Pictures from Mozambique below)
