Celebrating 42 Years of Ministry

Autumn 2020 Newsletter

Delivering God's Love Since 1978

Thank you for your faithful support during this global pandemic and devastating economic crisis. The life-changing effects from the Covid-19 have been very difficult and discouraging. These extraordinary times cause our hearts and trust to be challenged, but we do know that our faith in God remains constant. He is in control in spite of these conditions in the world and Isaiah 41:10 is a comfort, "Do not fear, for I am with you; do not anxiously look about you, for I am your God. I will strengthen you, surely I will help you, surely I will uphold you with my righteous right hand."

GOD HAS CHOSEN ME, by Bernadette Farrell

God has chosen me, God has chosen me
To bring Good News to the poor
God has chosen me, God has chosen me
To bring new sight for those searching for the light
God has chosen me, chosen me.

Refrain: And to tell the world that God's kingdom is near,
To remove oppression and break down fear
Yes, God's time is near, God's time is near
God's time is near, God's time is near.

God is calling me, God is calling me
In all whose cry is unheard
God is calling me, God is calling me
To raise the voice, with no power or choice
God is calling me, calling me.

Lifting Lives With Love since 1978

Forty-two years ago our ministry began with the gift of sewing warm quilts for Arizona and Mexico. It led to blessing lives, not only for physical warmth for the colder areas but opened spiritual hearts to the transformation of God's love for them. In Romans 6:23, "... the free gift of God is eternal life through Christ Jesus our Lord." This letter of thanksgiving from a pastor's family brought joy to our sewers:

"Thank you for the beautiful quilt we received from Love-Lift Ministries. We have a small community church in Arizona with 50-60 people. Unemployment has been prevalent here as most dads work off the reservation. Most families are single mothers raising their children. May God bless your ministry as it has really touched our hearts."

Throughout the years God has used many creative individuals who have donated many thousands of blankets, stuffed animals and dolls, clothing items, scarves, jewelry, quilts, tote bags, and so much more to many areas in the United States and other countries. These handmade gifts have been instrumental and effective tools for God to use to bring fulfillment of His joy, peace, love, and blessings for many pressing needs of hurting people needing God's eternal salvation.

In addition to the above projects since 2003, our filled Love-Lift bags have totaled over 114,000 in this location here in Santa Ana, California. We want to unite our hearts to answer God's call and purposes. "I must work the works of Him that sent Me, while it is still day, the night cometh, when no man can work.", John 9:4

People answering God's call

A team from Iglesia Mission Cristiana, a church in Los Angeles, California is building a foundation for a church in Aguas Negras, Pedernales in the Dominican Republic.

We are praying for God's wisdom and constant vision for boldness to live out His great commission in impoverished areas. Our dedication gives us a renewed commitment to keep Biblical principles that never change from God's Word and His truth to the next generations.

God has chosen me, and God has chosen you. Jesus is calling us to pray that lives and hearts will be transformed and the lost be saved, God is calling YOU. Are you willing to pray, listen to God's voice, give of your time, and resources, and serve?

May mercy, peace, and love
be multiplied to you.
