Delivering God's Love Since 1978

Pictured below are two of the many blessed children.

In April, Pastor Tucker with a medical team and friends took hundreds of bags to bless families in central mainland Mexico.

In May, Lizeth from LA took 100 bags to bless the homeless in downtown LA.

Later in May, Pastors Alex and Veronica from Tijuana area was called to go to Mexico City, 3½ hour flight south of Tijuana, to encourage and help teachers to share the Love of Jesus and the Word of God with children. The day after was a Children's Outreach program from the hosting church.

Small size bags have gone into suit cases to fly to places like Mexico City. Regular size bags of 20+ items have gone by car & pickup truck all over

Mexico. And 53 baby layette bags for newborns and their moms with 30+ items have gone to places in U.S. & Baja.

*Do not store up for yourselves treasures on earth, but treasures in heaven. For where your treasure is, so is your heart. (Matt 6:19-21)*

In March, Pastor Isaac visited 2 poor churches in San Quintin, Baja, 200 miles south of border, to share the Word of God and to bless needy families with clothing and LLM bags.

With the leaves changing colors and Thanksgiving in the air, and with thankful hearts, we thank our Lord for His direction and help. We are thankful for all our donors, all our volunteers at their homes and in the warehouse and all the pastors & evangelists who carry 1,000s of bags, 1,000s of miles to bless needy people in USA, Mexico and Central America. Thank you Lord!

This year of 2024 has been a very busy year at the Love-Lift warehouse in Santa Ana. From Jan. thru Sept. bags of different sizes have gone out to over 30 communities.

Pastor Veronica also teaches at the Bible Institute in TJ. Thus to bless the pastors graduating last May, Love-Lift volunteers put together some meaningful bags and some clothing to give to the men & women graduating.

In July, pastor, teacher, and evangelist Dr. Alfredo of San Diego took the Word of God, clothing, and Love-Lift bags to bless two communities about half way down the Baja,

Catavina

the farthest about 500 miles south of the border, in Bahia de Los Angeles. The team purposely went in summer to reach the children during summer vacation. The temp was over 100F each day. Despite the heat, many children & teens received Christ as, Savior and Lord. Children were prayed for and received LLM bags.

Bill Luke who has made many trips to feed and bless the poor near the Tijuana River took 175 LLM bags for
